

WELCOME

Back in 1992, we came to this tranquil place in northern Ohio because we sorely needed a vacation. We found, in this special place, people who genuinely cared about us — people who wanted to help us relax in this most tranquil environment. In April 1st, 1997, after three years as Assistant Innkeepers, we proudly took ownership of Buckeye Bed & Breakfast. And to this day, we are still here, just about every hour of every day providing, along with our very able staff, what we like to call

"traditional innkeeping" – an old-fashioned, very personal approach to hospitality. There can be no greater love, warmth and caring emotion, happiness and fulfillment than what we experience here each day. We thank those of you who trust in us enough to visit for the very first time; and to those of you who visit time and again, thank you for "filling our cup." Buckeye Bed and Breakfast is our home – and we dedicate our home to you providing warm and genuine hospitality unlike

you have ever experienced. From heart and hand, we are here to pamper you in this most romantic and peaceful place. Come join us and get to know why we call this place "a paradise for the senses, a vacation for the soul." Come join us and get to know why we call this place "a paradise for the senses, a vacation for the soul." We promise, we will take great care of you while you stay and ensure you have the perfect Ohio getaway that you are yearning for.
